A NEW WAY IS HERE

You know them - The ones who are always in the studio, opening shows and dropping new heat all the time. Those big dreamers who are ready for the big stage. Yeah, them. Sprite Way wants to take them to the next level. By nominating artists to our major community generated playlist, we can turn up their volume so loud, the whole world will hear. Let us know who you think deserves to shine—we're putting you in control.
